**Website: [www.gdotsolution.com](http://www.gdotsolution.com)**

**“Gdot Solution”** started business in current year 2024. **“Gdot Solution”** is a Sole Proprietorship business, the owner directly involved with water treatment plant with **10+ years of experiences** with handling a qualitative practical knowledge on RO (including operation & maintenance), Softener & Iron removal plants.

**“Gdot Solution”** is one of the best growing water treatment plants and related components supplier & service provider. We majorly dealing with the Design, Installation, Maintenance, Modification, Periodic Repairing/Serviceing & Consultation of **Industrial/Commercial RO, Softener & Iron Removal plants.**

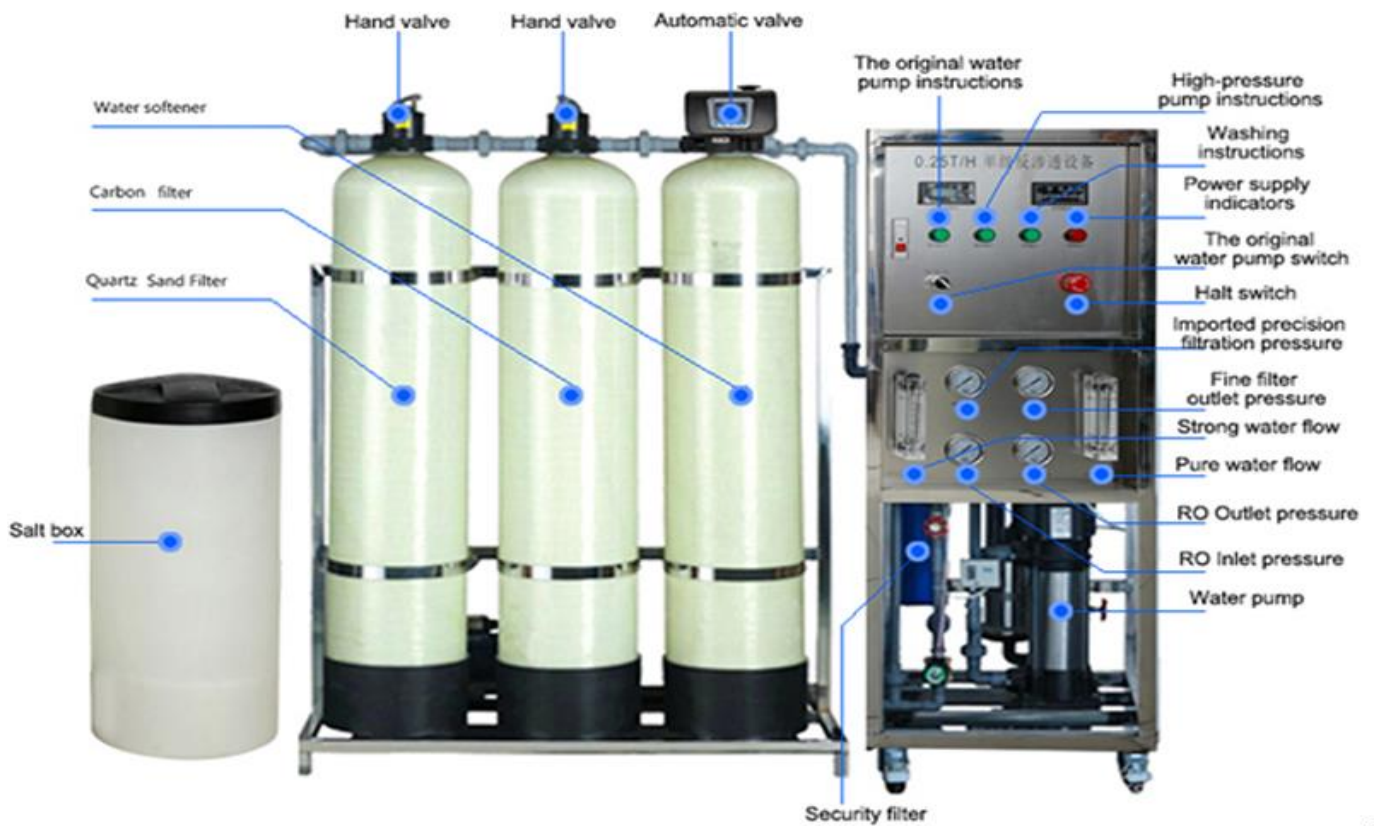

We are able to supply water treatment plant related products & components such as High pressure pumps , Filter feed pumps, Booster system, Membranes, Dosing pump , Victaulic Coupling, Water Flow meter , FRP pressure vessel, MS pressure Vessel, Pressure tubes, Antiscalants RO chemical, **Lime Stone, Aluminum sulphate**, Chlorination/De-chlorination chemicals, Sediment cartridges , Membrane cleaning chemicals , industrial ship quality pipes, valves & fittings etc.

**Our Mission** is to provide high-quality, reliable, and sustainable water treatment solutions that enhance the health and well-being of our community.

# Gdot Solution

(Water for life, quality of purity guaranteed)

## Our Target Customers

**Garments Industry**

**Textile Industry**

**Plastic Industry**

**Manufacturing Industry**

**Steel Industry**

**Hospitals**

**Pharmaceuticals**

**Chemical Industries**

**Resorts**

**Hotels**

**Residential Building**

**Commercial Building**

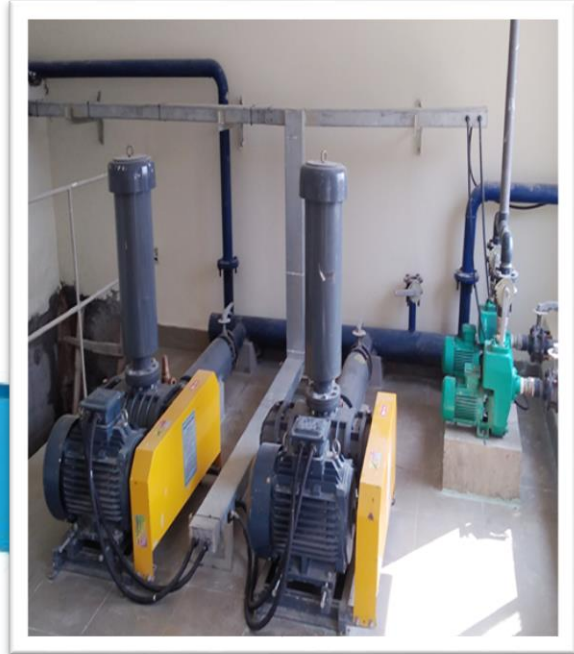

**Foods & Beverage**

**Agriculture & irrigation**

**Farm House**

**Swimming Pool**

## **Our Products**

## **Diffuser & Blower for Aeration at Raw Water Tank**

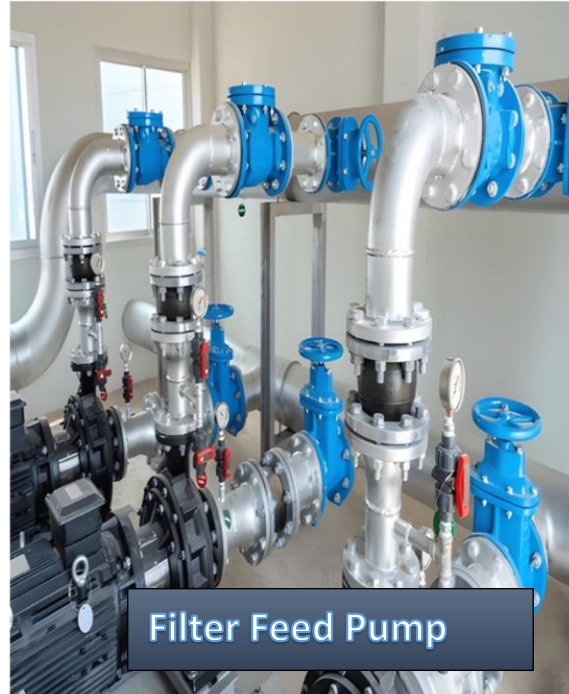

# Gdot Solution

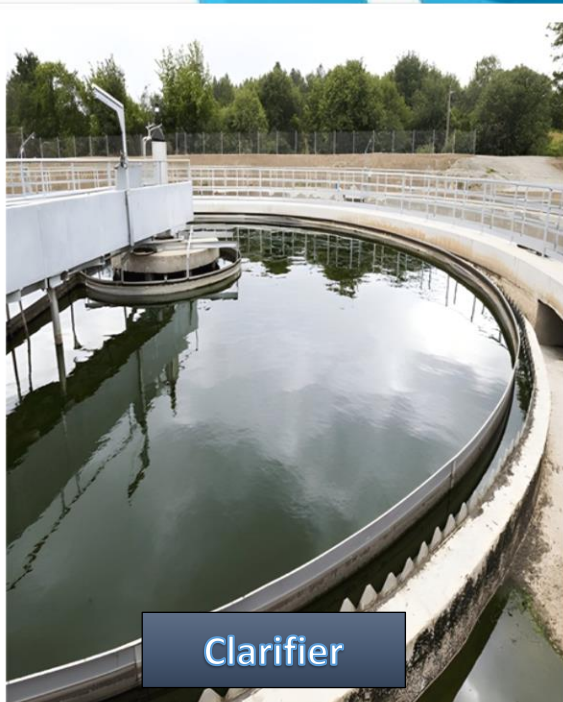

*(Water for life, quality of purity guaranteed)*

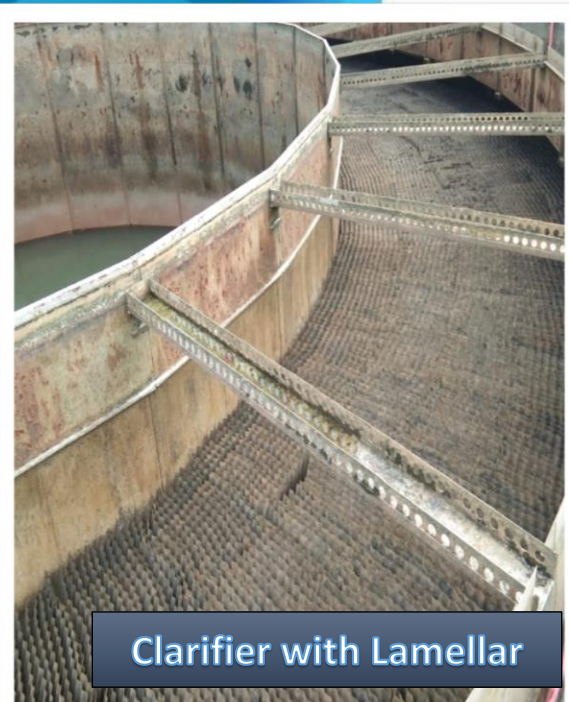

Media Filter Vessel

Filter Feed Pump

Clarifier

Clarifier with Lamellar

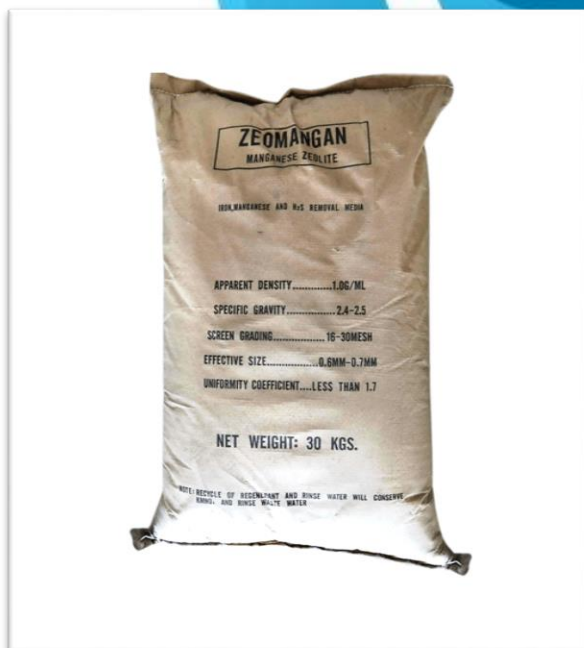

*(Water for life, quality of purity guaranteed)*

**Activated Carbon**

**Coconut Shell Carbon**

**Zeomangan Manganese Zeolite**

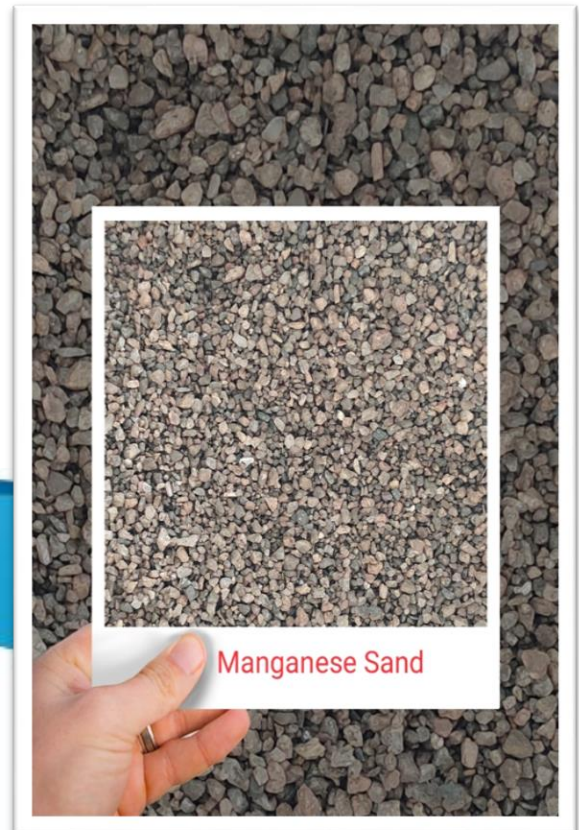

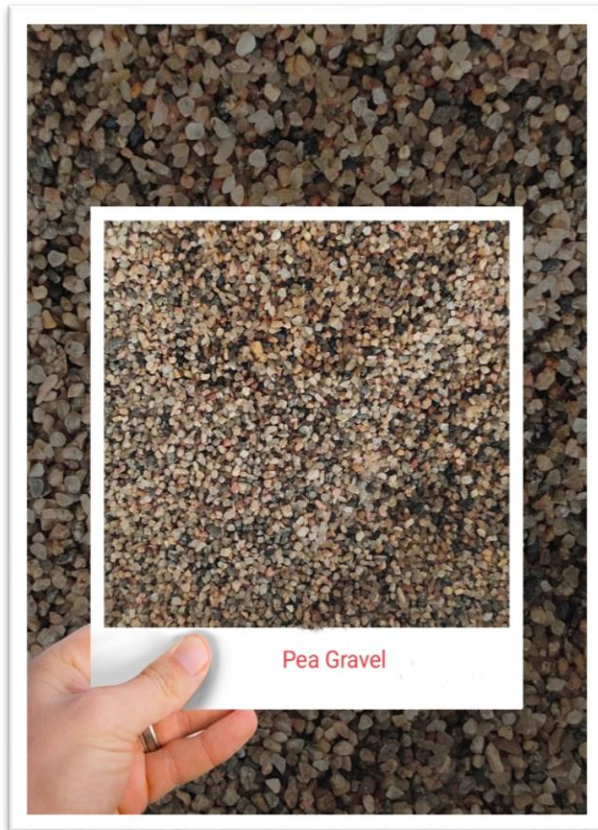

**Ion Exchange Resin**

# Gdot Solution

*(Water for life, quality of purity guaranteed)*

## Flow Meters

**Turbine Type Flow Meter**

**DP Type Flow Meter**

**Electromagnetic Flow**

**Mechanical Type Flow Meter**

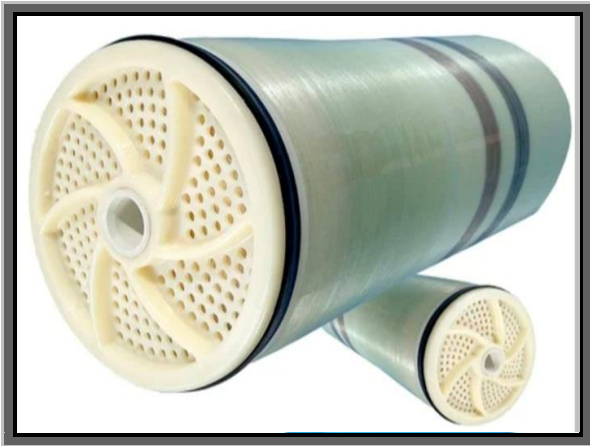

*(Water for life, quality of purity guaranteed)*

## Dosing Pumps & Compressor

## Membranes

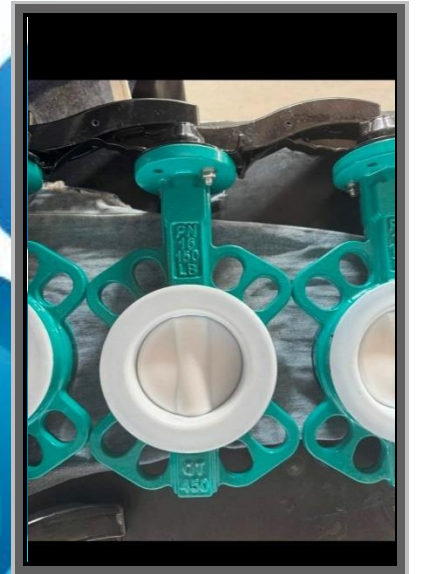

## Valves

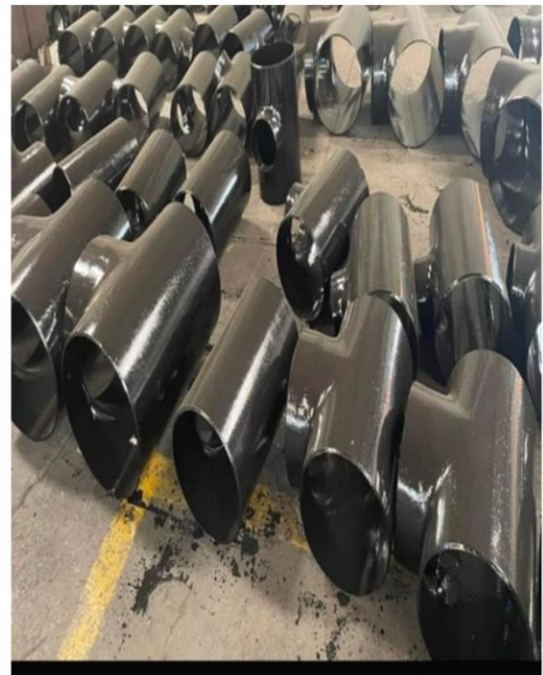

*(Water for life, quality of purity guaranteed)*

## Valve & Fittings

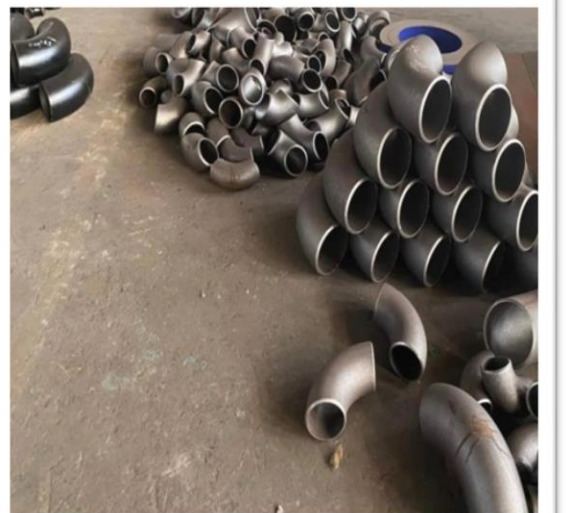

## Fittings

*(Water for life, quality of purity guaranteed)*

## Fittings

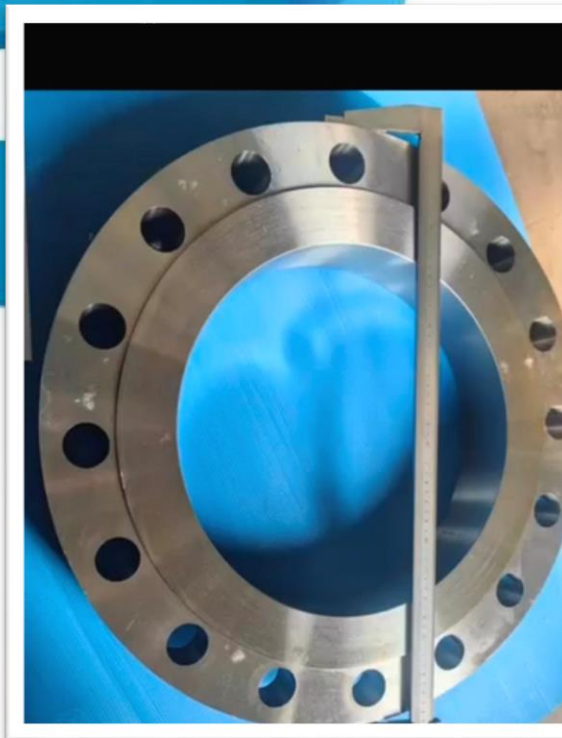

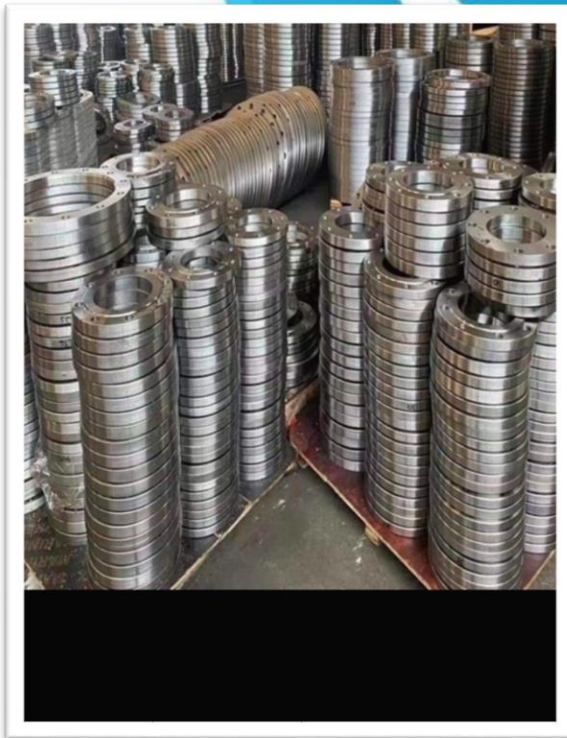

*(Water for life, quality of purity guaranteed)*

## **MS & GI Pipe**

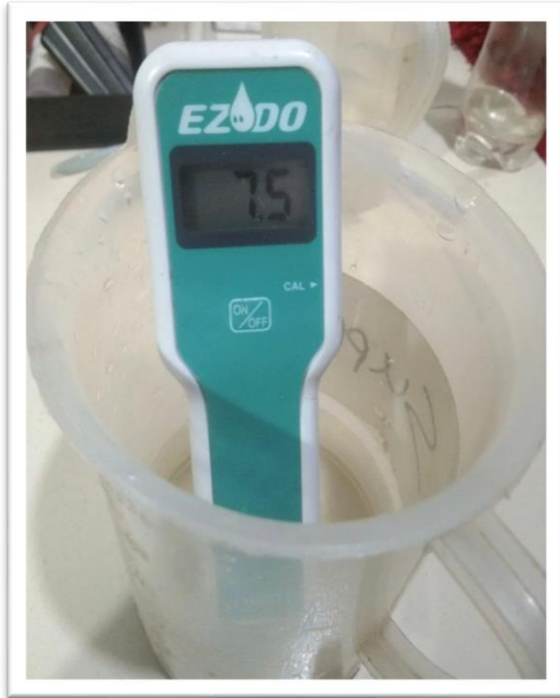

## Flange

(Water for life, quality of purity guaranteed)

## Lab Test Materials

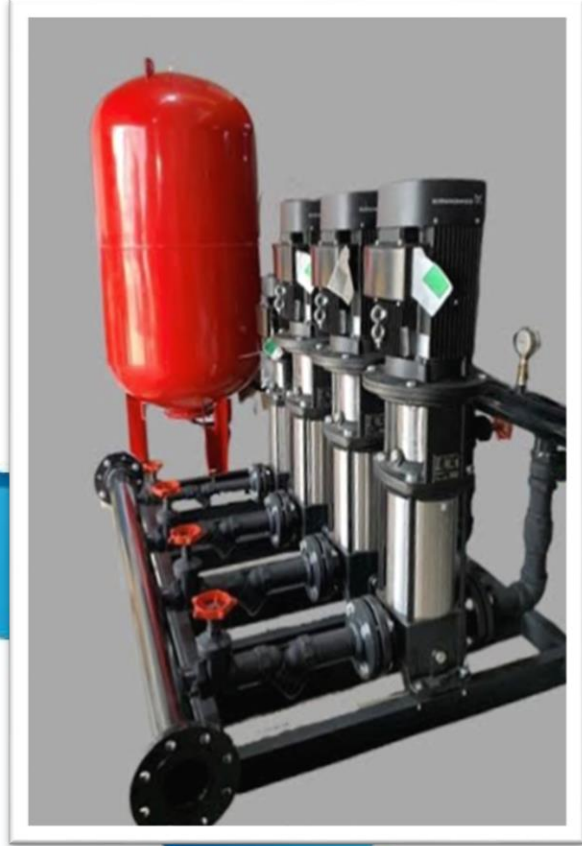

*(Water for life, quality of purity guaranteed)*

## Centrifugal & Booster Pump Motor Set
